

## JACKSON COUNTY GENEALOGICAL SOCIETY

March 1981

Vol. 1 Iss. 1

Dear Friends,

The newly elected officers as well as our local members have big plans for 1981 and hope that all of you will be involved in the activities.

Dues for 1981 are now due. The dues are \$3.00 per person or \$5.00 per couple. We are now an affiliated chapter of the Ohio Genealogical Society and through them will learn of the many publications that are available as well as queries, meetings of other chapters, etc. From time to time, we will also list in our own quarterly, family history sources that are now in print.

Since this is our first newsletter, we are please to list our present members.

We have recently been informed that a school teacher that lives here in Jackson County has prepared listings of all gravestones in Jackson, County, and these listings are very nearly ready to be published. When this is available, we will let our members know where this may be purchased as well as the cost.

Projects for the coming year were discussed at our last meeting. Among the projects were: reprinting of a Jackson County History; purchase of a microfilm reader, a quarterly newsletter as well as a membership drive. Our meetings will continue to be held at the Christ United Methodist Church (comer of Broad and Portsmouth St.) on the third Monday at 7:30 p.m. We are hoping that all members will submit a five generation genealogy chart. This will be filed with Alice Louderback in order that other members may possibly exchange information on any of their family lineage.
