Dear Sir:

I was referred to your chapter by Frances
Hixon. I would like to belong to your
group and am enclosing \$5 for the
annual membership.

I have been doing some work on the Swan
family and find they come from that area.
I would very much like to receive your
newsletters and perhaps get some help from
the members on my husband's family history.
I look forward to hearing from you.

Sincerely,
Mrs. William B. Swan

Dear Frances,

Thank you for your letter, I would be interested in purchasing your book in 2 volumes of Cemetery Inscriptions of Jackson County Ohio. How would I go about this? Who published it?

You said you found a Thomas Swan in the Hanna Wesley Cemetery. Can you tell me the date of his birth and death? My husband's grandfather's father (Thomas W. Swan) should have been born about 1823 in Ohio and I know he was living in Jackson County in 1880 but I lost him between then and 1900.

You said you talked to Miles Swan about his grandmother (is that Elvira - Thomas' wife). She was not married twice, Thomas Swan was - once to Rejiah Swan in Carroll County in 1847 and then to Elvira Brill in Jackson County in 1858. I do not believe Miles Swan's Uncle William is in the same family but I would like to ask him if you could send me his address!

I know there was an Elvira Swan in that county who died May 15, 1921. I do not believe that is the same person as my Elvira (I have she + Thomas' marriage license). Can you tell me who Elvira was married to? I finished widowed in the 1900 census. (over)

I do intend to join the Jackson Chapter
of the Ohio Genealogical Society. I am writing
them at the same time I write you.

I thank you very much for your
help. I hope to hear from you again
soon.

Sincerely
Mrs. William R. Swan
