Jackson Co Genealogical Society
Jackson Oh

Dear Mrs Hixon:

I was very pleased to find
the Jackson Co. Oh History which your
group published in 1991. It was
great to see that my Grandfather - Dr
J.S. Hender had been written up.

Are there still copies available and
if so what is the price - including
shipping

The Long family is one of my
lines and included in their writing

was information I did not have. Is it possible that you could send me the name + address of the person who submitted the Long material. I will enclose an SASE. If you do not feel you can give me their name, perhaps you could send my name to them asking that they contact me.

I know you have been a major instigator of the Jackson Co. Genealogy and I appreciate your efforts

Sincerely
Meyani M Neelwig
