To Whom It May Concern:

For the past few months I have written to several different organizations trying to gather information on three different branches of my family. These include the Ross County Genealogical Society, Ohio Department of Health, Ohio Historical Society, and the Chillicothe Historical Society. I've gained some new knowledge through death certificates, but would still like to know if maybe your county may be of some assistance.

I was unable to obtain marriage certificates for people who were born and lived in Vinton County because the county courthouse burned at some point. I was thinking that it's possible these people got married in Jackson County. I'm looking for a marriage between Frederick W. Nesser and Sophrona (Boyer or Arlins) sometime between 1890 and 1900. Jacob Nesser and Mary Ireland sometime between 1860 and 1868, Fred Cornelious Nesser and Maggie Ellen Canter in Jackson on February 17, 1928, Dave and Mary Caldwell sometime between 1890 and 1896, John and Evelyn Canter sometime between 1890 and 1900, Rance Canter and Eliza Ellen Caldwell sometime between 1910 and 1920.

If you find any mention of these people, whether it be marriage certificates or something else, I would be very interested in knowing about it. I wasn't quite this organized as far as "years to be searched" goes when I enlisted help from Ross County, so I may run this by them also.

Let me know about any charges for this research and I will forward a check immediately.

Thank you for your attention to this letter,

Sincerely yours,

S. Butler
