Dear Sir:

Enclosed is my check #8485 for \$8.00. This is a very late renewal for 1994 Membership. Do you have Life memberships - that would take care of my forgetting to renew.

Would you please print the following query in your newsletter.

Seeking information on RADABAUGH's and ROACH's. Particularly interested in Jeremiah ROACH, Elizabeth RADABAUGH and their ancestors, siblings and children. Does anyone have information on a Jane ROACH marrying a NANCE in the late 1840's?

Thank you,

Verna Mae Trayer
