Dear Librarian:

I am doing family history research on the families of COBB, WARE & BUNDY, all of whom were residents of Jackson County. They lived in Milton & Bloomfield townships in the late 1800's and early 1900's.

I understand that you have a genealogical collection at your library & hope that you can tell me what types of data is in your library. Do you have an obituary file? Also, please tell me what your hours are, in case I can come for a visit. I realize this research can't be done by mail. Is there an active genealogical society in Jackson County?

Thanks very much for any help you can give me. A SASE is enclosed for your convenience.

Sincerely,

Nancy L. Kewish

Dear Jeannie,

Thank you so much for your letter and the information. I really didn't expect you to do the research for me. Yes, those Cobbs and Bundys are my ancestors. I am fairly certain of the names, but am trying to fill in the dates & places especially for the WARE family. Enclosed is a copy of my 5 generation chart. I have family group sheets also which I would be happy to share if you are interested.

I have done some research already at various places including Wellston Public Library, but haven't yet been to Jackson City Library. Do you have an obituary file there?

William Ware, who I am fairly sure is the father of Ella Ware, my grandmother, was a grocer in Bloomfield Township. He was married twice, first to Christina Lowder (b.1837-d.1874); second to Laura Buckley.

H. S. Bundy was a Congressman in addition to serving as a state legislator. He was born in Marietta in 1817. Many of the family members lived in or were born in nearby counties, ie. Vinton, Meigs, Athens, etc.

Enclosed is my check for membership and a SASE. Thanks again for your help.

Sincerely,
Nancy
