I am seeking info on my great grandfather John Rapp who married Elizabeth Blakeman in 1861. He lived in Jackson County, had a family and is buried in Bethel Cemetery, Liberty Township I believe, as his wife Elizabeth is buried there. John and Elizabeth had a son Christopher who married Rhoda Crabtree, my grandparents.

Do you have any record of John Rapp, his parents, brothers or sisters? My older relatives believe he may have been born in Germany or came to this country as a young child.

Any information I would greatly appreciate.

Sincerely,

Carl Rapp
