Hello!

I am researching several Southern Ohio ancestors including early Jackson county and have need for help. Any suggestions would be greatly appreciated. I have done microfilm and original courthouse records partially.

Sally Massey wed Jacob Gremet 10 sept 1829 Rev Levi McDaniel
as recorded Jackson Co OH

She is the same as:

Sarah A Massie/Massey b 24 Oct 1809 VA
d 10 Aug 1893 Summers CO WV
bur Elk Knob Cemetery, Summers CO WV
wife of Jacob Grimmett s/o Greemberry Grimmett
Jacob Grimmett b 23 Jun 1805 VA
d 2 Apr 1896
Bur Elk Knob Cemetery Summers CO WV
their son Joseph was born in Jackson Co OH 1831 *Oct 15.*

Jacob Grimmett is listed with brothers and father in census
1830 Census Scioto CO Franklin Furnace

The family returned to VA in the mid-1830s. I have information on their other children and everyone EXCEPT parents of Sally/Sarah Massey/Massie.

Is there any information on Massey genealogy in Jackson, Scioto, Lawrence Co Ohio available? I would appreciate any sources. Please advise costs or arrangements.

I am hoping to document for First Families of Ohio with OGS.
