November 16,

Dear Mrs. Nayth,

Thank you so much for answering my questions regarding Jackson County. I have enclosed a check for \$16⁰⁰ for 1996 membership in the Jackson County Genealogical Society, for the four quarterlies printed in 1995.

I am researching the Dawson family which moved to Jackson County in 1820 and resided there through the 1860's, then moving to Pike County. The family was led by Moses K. Dawson. If you have publications or information regarding the family please advise or perhaps a county history with biographical sketches. I am also interested in detailed maps of the County in the 1820-1870 period. Please advise if available and the cost.

Thanks,
Sam Dawson

Dear Ms. Lauderback,

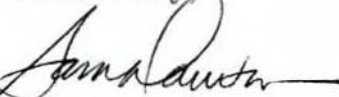

I understand that you have been researching the Dawson family of Jackson County Ohio. I am a direct descendent of Moses K. Dawson who came to Ohio in the early 1800's. As I have learned from census information Moses was a farmer, residing in Franklin township, and sometime in the 1860's moved his family to Pike County. I believe that his father was James (originally from Hampshire County, Virginia) but thus far have been unable to confirm that belief. Moses fathered a large family however I am most interested in his son Giles K. Dawson. He was born about 1838 in Jackson County and later married Phoebe Lowther of Ritchie County West Virginia, in 1861. I have been unable to locate Giles in W. Va. or in Ohio after 1863, the year that his son, William H. was born.

If you have any information that you would be willing to share, I would sincerely appreciate the help. I am most willing to pay any copying expense or mailing cost. I will also provide all information on the family search from this end.

Again, any help is appreciated.

My address is 5923 Foxcroft Road, Tyler, Texas 75703. A SASE is enclosed.

Sincerely,

Sam Dawson
