

## OBITUARY

Ufa Mazie Dickason, daughter of Alva R. and Elizabeth Melvina Sheward was born August 2nd, 1875, at Fourmile, Jackson County, Ohio. She departed this life March 1, 1924, aged 48 years, 6 months and 29 days.

In early womanhood she united with the Christian church at Fourmile under the pastorate of Elder J. P. Ewing, where her membership remained until her death.

On Nov. 10, 1894 she was united in marriage to Wm. S. Dickason to which union was born one daughter, Gladys Marie Dickason, now the wife of Basil Halterman of this city.

Her mother having died in 1899, and she being the oldest of the children—she assumed the responsibilities and duties of a mother in the home, helping, caring and encouraging the younger children, sharing their joys but bearing their sorrows. She has been the faithful housekeeper and homemaker for her father all her adult life.

She leaves to mourn her death as members of the immediate family—one daughter, Mrs. Gladys Halterman, one grandchild, Carroll Halterman, a father, A. R. Sheward of Jackson. Three brothers, R. V. Sheward of Wellston, R. B. Sheward of Beaver, and C. C. Sheward of Flandreau, South Dakota; one sister, Mrs. Santa Claire Weed of Grand Junction, Colorado, and many other relatives and friends.

Ufa was a quiet unassuming woman choosing to remain in the home and care for it, that others might go and have pleasure.

She will be greatly missed by her family, especially her daughter and her aged father.

"To live in hearts  
We leave behind  
Is not to die."

We wish to thank all those who so kindly donated their machines. To those who sent such beautiful flowers we render due thanks and to all our friends and neighbors who by word or deed helped us bear our burden in time of need.

A. R. Sheward and Family,  
Gladys Halterman.

THE burdens of the world weigh heavily upon the shoulders of this little German Miss, who is denied the good chocolate pudding given to her undernourished older sister. Born during the war and blockade years, the older girl did not get the articles of food which are essential to the growth of children, and an effort is being made now to nurse her and thousands like her back to health. Scarcity of the supplies, which are luxuries for adults, but absolute necessities for children, makes it necessary that they be given only the most needy. Funds being raised by the American Committee for Relief of German Children will be used for this purpose. The kettle in the picture is a part of a demolished army field kitchen.

## COUNTY MUSIC MEMORY CONTEST

The county music memory contest will be conducted next Saturday at the Court House by Miss Gertrude Morgan who is supervisor of music for the centralized schools of the county. The schools competing are Oak Hill, Glenroy and Coalton.

The schools are each sending a team of five from both the elementary and high schools and there will also be contests for individuals. The winning team and individual will go to Columbus to compete in the state contest.

The contestant must be able to recognize the theme of the selection, write the title, give composers name and nationality and spell the names correctly. The training received in preparing for this contest will be very valuable to the pupils. Its object is to increase the child's desire for good music and to teach them music appreciation.

The morning session will begin at 9 o'clock for elementary pupils.
